

30th August 2021

Dear Parents,

As we return to school for the Autumn term, it is with a heavy heart that I write to inform you that my licence with Coppice & Langley School has been terminated by the school and will come to an end on 31st December 2021.

I have requested that they reconsider their decision to terminate a licence which has been held for 27 years, but unfortunately they will not do this and also have failed to give me an explanation of why they will not renew.

Squirrel Club has provided a fully inclusive extended day care and holiday provision to thousands of children over the last 27 years and we have had the delight of also caring for 2nd generations. It's been my pleasure to provide a family run facility and it's been the highlight of of my career.

I will look forward to seeing you all return to school next week. I am determined to end this business on a high, celebrating 27 fantastic years of service and success within the school.

In what will be a sad few months ahead, I would love you to share your memories with me and let's end 2021 and this era united.
